

# RotoStorm™ INSULATION BLOWER

All homeowners want a comfortable home and the peace of mind that comes with knowing it provides heating and cooling most efficiently—and yet recent studies show that 65 percent of homes today are in need of additional insulation.

The RotoStorm™ insulation blower makes it easy for you to capture some of that market for insulation.

- Compact and durable, with all-steel construction
- Double agitators for smooth and accurate fiber conditioning
- Variable air pressure
- 18-inch air lock chamber for high production with smooth delivery
- Uses cellulose or fiberglass insulation

The RotoStorm insulation blower gives you a quick, easy, and professional entrance into the insulation market.
